## How to Install ON Trade Numerology Station

1. **Open MetaTrader 4:** Launch the MT4 application and click File → Open Data Folder.
2. **Locate the Folder:** Navigate to the MQL4 folder and open the Indicators subfolder.
3. **Copy the File:** Place the downloaded indicator files into the Indicators folder.
4. **Refresh the Navigator:** Go back to the MT4 platform, locate the Navigator window, right-click anywhere inside and select Refresh.
5. **Attach to Chart:** Expand the Indicators section, locate the ON Trade Numerology Station Indicator, and drag it onto your desired chart.
6. **Configure Settings:** Adjust the settings in the indicator's properties window to suit your preferences. Default settings are optimized for immediate use.
7. **Activate the Indicator:** Click OK to apply the indicator and start analyzing the market.
